The Evergreen Community Library is happy to announce that we will be working in partnership with **Holy Trinity Catholic School** to open the school library for students and staff. The Holy Trinity library has been closed for 3 years, and the students have been missing that weekly library experience. The school library will be open and staffed each week for the 2022/2023 school year. We are excited to begin this service, and hope to inspire a love of reading in every student.
