Martha and Susan Seger cared deeply about children’s education and literacy. Both have generously given their time, talents, and treasure to further our mission to inspire life long learning. When asked how they became acquainted with our library, Martha and Susan used to say, *“It was Serendipity.”* It truly was an accidental discovery of a pleasant and valued friendship. Thank you Martha and Susan, your gifts live on here in the books you gave, and in the knowledge you shared.
